

PUBLIC NOTICE

In its efforts to conserve and protect the environment of the Pearl River, the PRVWSD urges all users to act in an environmentally responsible manner. The PRVWSD strives to promote sanitary and safe conditions for all users of the District's properties.

Therefore, effective October 1, 2013 unattended, uninhabited or abandoned campsites, to include tents, tarps, shade structures, grills, tables as well as any other items left on sandbars or public areas of District property, will be collected and discarded.

Please assist the District and its community by removing any and all items utilized in your camping excursions.

Your cooperation in helping us keep the Pearl River and its sandbars a beautiful and natural recreation destination is greatly appreciated.

Thank you,

Pearl River Valley Water Supply District
